**Floss Used for Back Stitches:**

Symbol	Strands	Type	Number	Color
■ ———	1	DMC	310	Black

**Notes:**

For most fabric counts, use one strand of floss for backstitch. When in doubt, stitch a test patch on the corner of your fabric.  
 The default fabric type for my pattern software is Aida, but I would suggest working this design on evenweave as the first choice and linen second at 14-count or 28-count. Smaller counts may lose some detail. That said, I am stitching my own SAL on Aida so it's a valid option as well.  
 Use the floss color(s) of your choice.
